Dear Members of the Class of 2014:

The faculty and administrative staff recognize the importance of your final year of high school. This is an excellent time to remind you that our expectations in all senior activities will remain high.

Shortly, you will be sitting for your portraits that will be placed in the 2014 edition of our yearbook, *Merrillvue*. Please visit the online site for Giolas Photographers, the only photographer contracted to provide senior portraits for the yearbook. Visit <http://www.giolas.com> and click on Specials for senior portrait information for Merrillville High School.

I also want to remind you that you must abide by the school dress code in pictures that will be placed in any school publications.

Young men are to wear dress shirts with ties (with or without a sport or suit jacket).

Young women are to wear dresses, blouses, or sweaters with modest necklines and sleeves. Clothing must be formal or semiformal. No casual or athletic wear. No wording or lettering will be permitted. No tank tops. Hairstyles and makeup should be in good taste. These guidelines ensure a professional publication for the entire community to enjoy. We appreciate your cooperation. If you dress improperly, you will have to reschedule your appointment and have your pictures taken at a later time. All pictures put in the yearbook are at the discretion of the yearbook adviser

Please remember to have your pictures taken with our senior photographer, John Bir of Giolas Photographers in Merrillville, by October 30. Abide by the deadlines set by the yearbook staff to avoid being left out of your senior yearbook.

We look forward to an excellent year ahead as the Class of 2014 is presented to the community with great pride.

Sincerely,

Mike Krutz  
Principal
